LETTER FROM THE PRES

WELCOME AND THANK YOU FOR JOINING US FOR OUR
54TH SEASON OF THE AQUANUT WATER SHOWS!

Ladies and Gentlemen,

Welcome to another unforgettable summer on the sparkling shores of Lake Mary in Twin Lakes, Wisconsin! We're delighted to have you here with us tonight as the Aquanut Water Shows splash into our 54th season of thrills, laughs, and jaw dropping performances.

From Then to Now — and Straight Ahead:

In recent years, you've joined us on some incredible journeys—from the bold and timeless Icon to our high energy adventure, Trip to the Big Apple. For 2026, we're turning up the excitement once again, blending beloved Aquanut traditions with fresh surprises, daring acts, and an amazing lineup of young talent ready to steal the show as we take you RETRO CRUISE TO THE 90s!

When I first stepped onto the water with this team more than 40 years ago, I couldn't have imagined where the ride would take us. Over the decades, the Aquanuts have celebrated milestones, welcomed new generations, and entertained tens of thousands of fans—all while sharing a love of water skiing that never fades.

A True Family Tradition:

Equipment evolves, safety improves, and yes—even gas prices climb—but the heart of the Aquanuts remains exactly the same. We are a family. We cherish our longtime supporters and are always excited to welcome first time guests and new members into the fold.

On behalf of the entire Aquanut Water Shows family, thank you. To our sponsors, volunteers, loyal fans, and the incredible community of Twin Lakes—you make everything we do possible. So grab a seat, sit back, relax, and get ready to cheer, laugh, and be amazed. We're thrilled to share another spectacular summer with you.

Enjoy the 2026 Aquanut Water Show season—and welcome to the family!

Warmest regards,

BOB KOEHLER

PRESIDENT

Aquanut Water Shows

A MESSAGE FROM THE SR SHOW DIRECTOR

I am beyond honored—and incredibly excited—to serve as your Show Director for the 2026 Aquanut season! Our amazing team has spent countless hours rehearsing, dreaming, splashing, and perfecting a show designed to entertain you, amaze you, and share what we love most—the joy of water skiing.

This season, we're thrilled to take you on a **RETRO 90S CRUISE**—packed with bold neon colors, epic soundtracks, and high-energy ski action. Get ready for jaw-dropping pyramids, flips, barefooting, and all your favorite Aquanut traditions—with a retro twist. So grab your crew, rock your best 90s gear, and join us dockside as we turn back the clock and turn up the fun!

What truly makes the Aquanuts special is our people. Our team includes skiers of every age and experience level—from seasoned veterans who have been with us for decades to first-year members making their Aquanut debut. Show skiing is more than a sport—it's a family tradition. My own journey began when a friend invited my family to come ski. That simple moment turned into something much bigger, leading me to where I am today—skiing alongside my wife and our four kids as part of this incredible team. Throughout the Aquanuts, you'll see families sharing laughs and creating lasting memories—on the water, in the boats, and behind the scenes bringing the show to life. There are few things more meaningful than that time spent together. Of course, none of this would be possible without you. The continued support of the Twin Lakes community—and visitors from near and far—allows us to carry forward the proud legacy the Aquanuts began in 1972. We are truly grateful you're here and hope you'll join us all season long as the show evolves on our journey toward the State and National Show Ski Tournaments.

BRING YOUR FRIENDS. BRING YOUR FAMILY. BRING YOUR LOUDEST CHEERS.

SIT BACK, RELAX, AND ENJOY THE SHOW—LET'S MAKE UNFORGETTABLE MEMORIES TOGETHER!

Catch you on the flip side,
Will BAZELEY

BOAT OPERATIONS TEAM

THE CREW BEHIND EVERY PERFECT PASS

Every flawless jump, fast-paced swivel, and perfectly timed pickup starts long before the crowd notices.

Behind every skier on the water is an entire boat operations crew working together with precision, communication, and trust.

**THIS ISN'T JUST DRIVING A BOAT.
IT'S TEAMWORK IN MOTION.**

THE DRIVERS

CONTROL. TIMING. PRECISION.

Boat drivers are responsible for delivering consistent speed, smooth lines, and complete confidence for every performer behind the boat.

They read water conditions, adjust for changing performance setups, and maintain total awareness from start to finish.

Every turn, throttle adjustment, and acceleration point directly affects the athletes on the water.

**WHEN THE SHOW BEGINS,
THE DRIVER BECOMES PART
OF THE PERFORMANCE ITSELF.**

THE SPOTTERS

EYES ON EVERYTHING.

Riding shotgun isn't just a seat in the boat — it's one of the most important safety and communication roles on the water.

Spotters track skiers, monitor hand signals, watch for hazards, and communicate instantly with the driver.

They help coordinate pickups, assist during transitions, and keep every run moving safely and efficiently.

**FAST DECISIONS AND CONSTANT
AWARENESS KEEP THE ENTIRE
TEAM CONNECTED.**

POWER. COMMUNICATION. TEAMWORK.
THE BOAT OPERATIONS TEAM

THE PICKUP CREWS

ALWAYS READY.

When a skier goes down, the pickup crews move immediately.

These teams are responsible for fast recoveries, athlete support, equipment retrieval, and keeping the performance flowing smoothly without missing a beat.

Whether assisting injured skiers, repositioning performers, or clearing equipment from the water, the pickup crews play a critical role in every show.

**QUICK RESPONSE.
CALM UNDER PRESSURE.
TOTAL TEAMWORK.**

ONE TEAM. EVERY ROLE.

Drivers. Spotters. Pickup Crews. Different responsibilities — one shared mission.

Every person on the water contributes to the timing, safety, energy, and execution that make the show possible.

The audience sees the excitement and performance. What they don't always see is the coordination and trust happening behind the scenes every second of the show.

**TOGETHER, THIS TEAM KEEPS THE
PRODUCTION MOVING AT FULL SPEED.**

AQUANUTS AT NATIONALS 2025

The Division 1 Show Ski National Championships bring together the nation's best teams for high-energy routines filled with pyramids, jumps, ballet lines, and swivel acts—a true celebration of skill, creativity, and showmanship.

In 2025, the Twin Lakes Aquanuts delivered another strong performance at the 50th D1 Show Ski Nationals in Janesville, WI, finishing **4TH IN THE NATION** against 14 of the top teams in the country. Sisters Lexie and Brooke Gunderson earned 2nd place in Swivel Pairs, and the father-daughter duo Will and Makayla Bazeley took home 3rd place in Strap Doubles.

The Aquanuts have captured the national championship six times, with wins in 1983, 1984, 1985, 2015, and 2022. Their 2022 season was especially historic, securing both the state and national titles—a feat they hadn't achieved since 1984. LEARN TO SKI

WITH THE

AQUANUTS

Confidence Starts Here

Each summer, our very own Aquanuts open the dock to the community with their popular **Learn to Ski Clinic**—a welcoming, hands-on way for beginners to experience water skiing in a safe, supportive environment.

For All Ages and Abilities

These fun-filled clinics, held at Lance Park, are designed for skiers of all ages, and often serve as the starting point for future Aquanuts!

Participants learn the basics from dock starts to balance and technique—guided by experienced volunteers who offer encouragement every step of the way.

Run by Volunteers, Powered by Passion

Team members donate their time to coach, drive boats, work concessions, and ensure a safe, positive experience. It's not just about learning to ski—it's about building confidence, resilience, and community.

The First Step.....to Something Bigger!

Many who start here join the Junior Team, growing their skills and friendships while becoming part of the Aquanut family. Others leave with a new skill, and the thrill of trying something new.

Cheri Amore Memorial

Cheri Amore was a young woman with a passion for living. Like most 17 year olds, she loved time with her friends, family, and dog. She loved dancing, parties, football games, cheerleading, and most of all her time on the water with the Aquanuts.

Cheri's life came to an end on July 9th, 2002. Since Cheri's passing, the Amore family has given a very special award to one individual team member each year. All of the Aquanuts look at this award with the highest honor. With tears in our eyes, none of us feel worthy of receiving the Cheri Amore Memorial Award. Yet with great honor, the member selected by the Amore family to receive it, carries the award with pride.

FUN *from* LAKE MARY TO LAKE MICHIGAN

Summer in Kenosha means enjoying award-winning Aquanut Water Shows! It also means you always keep the lawn chairs and picnic blankets in your car, ready for a free out-door concert or movie. You dig out your Renaissance costume to have an extra fun time at the Bristol Renaissance Faire. You do your Saturday shopping outdoors at Kenosha Harbor Market and Kenosha Public Market. You cheer on the Kenosha Kingfish baseball team at Historic Simmons Field. Summer in Kenosha means you find fun faster.

More seasonal attractions include Boundless Adventures, the family-friendly outdoor aerial adventure park; dirt track car races and other fun events at Wilmot Raceway, golfing at venues such as Briston Dale Links and Petrifying Springs Golf Course, and of course, bicycle races at the oldest operating velodrome in the country - the Washington Park Velodrome.

There are numerous activities to enjoy on and near Lake Michigan, too! Perhaps the most thrilling is to book a fishing excursion with the Kenosha Charter Boat Association. Did you know Kenosha is known as the trout and salmon capital of Wisconsin with Kenosha boasting the highest catch-per-hour rate in the state? Or stay closer to shore with the Kenosha Community Sailing Center, which offers rentals of kayaks, stand up paddle boards, duck-themed pedal boats, and more. They even have sailing lessons for youth and adult learners.

There are four beaches along Lake Michigan - with the Kenosha Beach House on Simmons Island offering numerous activities and events to enjoy along the lake. Climb the 72 steps up the 1866 Southport Lighthouse tower for a fabulous view! The lighthouse is part of the Southport Light Station Museum, which is open May through October. Also visit the year-round Kenosha History Center, Kenosha Public Museum, Civil War Museum, and Dinosaur Discovery Museum to be educated and enthralled. Further from the lake, enjoy the Pritzker Military Museum & Library.

In Downtown Kenosha, visit locally owned shops and restaurants, pubs, rooftop bars, historic districts, art galleries, public art, and performing arts venues including a comedy club. Ride Authentic Electric Streetcars along the harbor. Tour the downtown district aboard a bicycle pedal tavern by booking with the Lakeshore Pedal Tours! Don't miss the seemingly endless lineup of lakefront events, either. From the Outta Sight Kight Flight and Taste of Wisconsin to the Kenosha Classic Cruise-In Car Show, weekends are filled with family fun, good music, and great flavors.

Go to VisitKenosha.com/Fun101 to check out Visit Kenosha's Fun 101 list featuring 101 Things to See & Do for \$10 and Under (Many are FREE!).

Explore the complete calendar of events at VisitKenosha.com/Events

THERE IS NO SHORTAGE OF FUN,
and you can find it all right here in Kenosha.

TO OUR *Amazing Fans,* THANK YOU!

As the final splash settles, and the music fades across Lake Mary, we want to say—from all of us...

THANK YOU FOR SHOWING UP.

For cheering from the shore. For supporting our skiers, volunteers, and families who pour their hearts into every show. What we do isn't possible without you.

THE AQUANUTS ARE MORE THAN A PERFORMANCE.

We are a community—a tradition that's been passed from generation to generation, built on passion, teamwork, and the joy of doing something extraordinary together.

**So, if tonight inspired you,
help us keep the magic going...**

OUR COMMUNITY IS WHAT MAKES THIS MAGIC.

From the early-morning set up to the final splash, it takes hundreds of people working side by side—volunteers, families, and friends—each playing a part in creating memories that last a lifetime. Thank you for being part of it.

TELL A FRIEND. | BRING YOUR FAMILY. | COME BACK AGAIN.

WE'LL SEE YOU AT THE LAKE!
